### PRESCHOOL 3-5 year olds

#### Starting Strong!

The Cubbies program at Lakeside firmly believes that young children can and should receive spiritual training. While the home should be the primary place for spiritual training Cubbies seeks to equip the parent by providing a strong foundation for the Gospel of Christ. We do this with **fun**, and lots of it.

Cubbies is fun with a purpose - to reach and train kids for Jesus Christ!

Once your child has completed his/her **Apple Acres Entrance Booklet** which includes attending several club meetings, learning their club motto and key verse and reciting it to their parent and Cubbies leader they may now wear the official uniform and begin work in their AppleSeed or HoneyComb Handbook.

Below is a list of the cost of the uniform and book for your child. If you have not paid at Registration, you will receive an envelope sent home with your child. You may make your check payable to Lakeside Baptist Church and write "Awana" on the memo line. Please never let this or any other activity expense hinder your child's participation in Awana. There are scholarship funds available if the expense is a concern. You may also spread the cost out over several weeks, if needed.
