The undersigned acknowledges that during the said ropes course experience the participant has requested to participate in, that certain risks and dangers may occur. These include, but are not limited to, travel to and from the CAMP COPASS facilities, the hazards of walking over uneven camp terrain, depending on other people and being at various heights (ground to 50'), accident, and the forces of nature. The undersigned further recognizes that these risks may also include loss or damage to personal property, physical or psychological damage and/or injury not excluding fatality due to accidents which may occur, including accidents resulting from this ropes course experience or other type of activities, whether conducted outdoors or inside an CAMP COPASS facility. I further understand that in participating in the activities I am requesting to participate in, I will be exposed to the effects of high altitude and the elements of nature, including temperature extremes and inclement weather. I further understand that medical treatment is a minimum of ten miles away in the city of Denton, Texas in the event of a medical emergency.

I certify that I am completely healthy (both physically and emotionally) and capable of participating in this ropes experience. I have listed on the health and registration form any medical condition that CAMP COPASS should be aware of which may hinder my participation in the ropes course experience.

In consideration of, and as part payment for the right to participate in such an experience and the services and food arranged for me by CAMP COPASS, its Supporting Churches, Directors, Officers, Employees, Agents, and/or Associates, I have and do hereby assume all the above risks and any other ordinary risk incidental to the nature of the trip which are not specifically foreseeable, and will hold them harmless from any and all liability, actions, causes of action, debts, claims and demands of every kind and nature whatsoever, whether for bodily injury, property damage or loss or otherwise, which I now have or which may arise from or in connection with my program or participation in any other activities arranged for me by CAMP COPASS, its Supporting Churches, Directors, Officers, Employees, Agents and/or Associates, and their heirs, executors and administrators, successors and assigns and for all members of my family, including any minors accompanying me. BEHAVIOR WAIVER**

I, _____ (print parent or guardian name), take total responsibility for my student, _____ (print child name), during the week of July 16-20,2018 at Camp Copass in Denton, Texas.

In the event of any personal or property damage done by my child, I understand that I am completely, morally, and financially responsible.

This includes:

- Negligent or intentional physical harm or injury inflicted to another individual by my child.
- Property or intentional damage to any and all objects done by my child.
- Transportation expense home for my child due to early dismissal from said event for use or possession of alcohol, cigarettes, cigars, any tobacco, pornographic materials, all "R" rates or occult related music and any medications, drugs, and inhalants not approved at check-in.
- Transportation home for my child due to their inability to gain personal control over any action that may cause injury to oneself or another.
- Transportation expense home for my child due to their causing excessive and persistent disruption to the entire group.
- Excessive tardiness and not being at the appropriate places in a reasonable time frame.

All dismissal decisions are at the discretion of the Associate Pastor. In the event that damage is caused by more than one child, equal responsibility is taken by all involved. When responsibility for damage is not claimed, all those closely related will share in responsibility and expense (example: room damage unaccounted for = all room members share responsibility). All final decisions are the responsibility of the Associate Pastor after discussion with all volunteer adults involved.

It is not our desire to ever send a child home and we will do all we can to work with you, the parent, in impacting your child positively. When any serious problem arises you will receive a phone call so that the matter can be discussed and the proper action taken.
