Starting Strong!

The Cubbies program at Lakeside firmly believes that young children can and should receive spiritual training. While the home should be the primary place for spiritual training Cubbies seeks to equip the parent by providing a strong foundation for the Gospel of Christ. We do this with **fun**, and lots of it.

Cubbies is fun with a purpose - to reach and train kids for Jesus Christ!

Once your child has completed his/her Apple Acres Entrance Booklet which includes attending several club meetings, learning key verses and reciting it to their Cubbies leader, they may now wear the official uniform and begin work in their Appleseed Handbook.

Below is a list of the cost of the uniform and book for your child. You may make your check payable to Lakeside Baptist Church and write AWANA on the memo line. Please never let this or any other activity expense hinder your child's participation in AWANA. There are scholarship funds available if the expense is a concern. You may also spread the cost out over several weeks, if needed.

Continuing in God's Word!

The Sparks program builds upon the lessons learned in Cubbies. Basic truths about God, Jesus Christ, salvation and the Bible. We teach these truths with a clear and consistent presentation of the gospel message along with increased emphasis on Scripture memory.

Sparks meetings combine learning with fun to create an atmosphere of irresistible excitement!

Once your child has completed his/her Flight 3:16 which includes learning their club key verse and reciting it to their Sparks leader they may now wear the official uniform and begin work in their first book.
